

Health and Safety Statement of Intent

Allelys Group is fully committed to ensuring the Health, Safety and Welfare of all our employees and those other parties that may be affected by our activities and operations. Allelys Group will ensure that the Health and Safety system will be reviewed regularly and that the objectives are clear and that all changes to legislation will be understood and implemented. We will strive to provide information, instruction, training and supervision to all employees and provide competent staff to carry out their duties within Allelys Group.

Allelys Group requires the need for all employees to ensure they carry out their duty under the Health & Safety at Work etc. Act 1974 and all other relevant legislation. All employees must co-operate with Allelys Group to carry out their health and safety responsibilities. To neglect these responsibilities would be seen as a direct infringement of Allelys Group Health and Safety policy and will be dealt with under the company's disciplinary procedure and could lead to dismissal.

We will endeavour to maintain a safe and healthy working environment at all times on our premises. Regular reviews of our policies and procedures will take place as required.

This Statement shows Allelys Group commitment to Health, Safety and Welfare of those whom we interact with and should be read in conjunction with our Health & Safety Policy and Procedures Manual.
